PRIVACY POLICY FOR GOOGLE ANALYTICS

This website uses Google Analytics, a web analysis service of Google Inc. (“Google”). Google Analytics uses what are known as “cookies”, which are text files placed on your computer to enable analysis of your use of the website. The information generated by the cookie about your use of this website is sent to a Google server in the US and generally stored there. If the IP anonymiser is activated on this website, your IP address will first be abbreviated by Google, provided it is located in a member state of the European Union or one of the countries to have signed the Agreement on the European Economic Area. Only in exceptional cases will the full IP address be transferred to a Google server in the USA and abbreviated there. On behalf of the operator of this website, Google will use this information to evaluate your use of this website, to compile reports on website activities and to perform further services for the operator of this website that are associated with the use of this website and the internet. The IP address transmitted from your browser in connection with Google Analytics will not be integrated with any other Google data. You are free to prevent the installation of cookies by changing the settings of your browser software; however, we must point out that you may then not be able to make full use of all features on this website.
